Volunteer Tutor / INSA
I was tutoring a group of the 2nd year INSA students with difficulties in Mathematics and Computer Science.

2019/07 – 2019/08

Front-end Web Developer / RAMSA
Implementation of a graphical interface to manage online customers' claims.

SKILLS

Web Development:
HTML – CSS – JavaScript

Programming Languages:
SQL – Python – Java – C – R – C++

Data Engineering:
Dask – Spark – GCP services

Data Science:
Web scraping.
Machine/Deep learning.
Time series analysis.
Probability and Statistics.
Natural language processing

CERTIFICATIONS

Google Cloud Platform
Professional Data Engineer
March 2023
